

Final project

Final project

- Report due 6/20
- Peer review due 6/30

Report

- Abstract
- Introduction
- Related Work
- Preliminaries/Model/Problem Description
- Methods
- (Experiments)
- Conclusion & Discussion & Limitations

Introduction

- **Background:** Why this problem?
- **Context:** Previous Approaches
- **The Problem:** Introduce the Gap
 - However, ...
 - Despite
- **The Solution:** State the insight
- **The Proof:** Summarize the Evaluation
- **List of Contributions**

Peer Review

Final project

- Summary
- Strengths
- Weaknesses
- Key Questions
- Overall Recommendation: 1-6
- Confidence

Peer Review

Introduction

- Write a separate review for the introduction
- Give 3 suggestions
